

Information for Groups

We welcome groups of children and adults by prior arrangement to enable us to manage numbers. Due to the size of the museum, the maximum group number at one time is 35 children in a school group or 30 Adults in a visiting group. We suggest that larger groups split their visit with other venues in the village, the church or a walk.

To arrange a group booking please email bookings@eyam-museum.org.uk

Our displays are over two floors and present a well-researched account of the plague and the social and industrial history of Eyam. We suggest you allow at least an hour to tour the Museum.

2026 Admission Prices	
School Group	£2 per child

Facilities & Access

Eyam Museum is located on Hawkhill Road, directly opposite the main village car parks. The car park has limited spaces for coaches and there is some capacity for parking on Hawkhill Road with a public bus stop directly opposite the museum.

There are no toilets in the museum but there are public toilets directly opposite the museum in the car park, including an accessible toilet. Please ask a member of staff for the key if this is required.

There is some storage space for bags to be left during your visit and wheelchair access at ground floor level.

Around Eyam village

To enrich your understanding of Eyam's experience of plague, we recommend you also visit the local church and churchyard and explore the village to see the houses where many of the people were affected by the plague. These are now private houses with green information plaques outside. Please respect people's property when exploring the village.

Please note that group visits to the church **must** be booked in advance. You can find further information on the church's website at www.eyamchurch.org
